Sunday evening

Dear Mrs Chauncy,

I was so glad to hear from you
after all summer which has
passed like a cloud of dust.

The day you passed the house I
was waiting for Mamma and
an aunt who was visiting
here they were coming across
the street. Mrs Southey had
asked just the day before if
I had seen or heard from you.
Now I will tell you something
(maybe you have heard) we expect
a little visitor in November
sometime so I have been

results of your labor. I have
missed you a great deal. Mrs
Preston I see has very little
return her call and that was
the end. Papa hasn't any steady
work yet but gets enough to
just pay the grocery bill. That
has worried me some but of
course I had to avoid worrying
so much as I could.

The chickens are doing fine and
we have had chickens all styles
Frank is just as bad as ever, he
and I cleaned the kitchen and
put down a carpet and with
clean curtains I am very sunny.
Next Sunday will clean the
bed room. Then I will be
about through Mother will be

very busy for the passed two
months. I would have written
sooner but this last week I
have been real poorly the first
I have had but I gave out all
over and the weather was so
warm. But feel better to-day.
But I have gone every where
and did just as I pleased.
So please excuse me from
coming out now until after
the arrival. But come and
see me and I will show
you some mighty pretty
little things I know you will
want to take them home
with you. I tell you the
places sure look nice Mr & Mrs
French are enjoying the

This is fine I made some
this summer. It is an old
receipt of mother's.

Now when you get your phone
ring me up and I can talk
better than to write. Hope this
will find you better with
with regards to M & G from us
for both and love for yourself.

Sincerely

Hellie Cirille
